This beautiful 3 bedroom, 2 bath home is 1,699 SF & sells furnished. This home is situated with the Apache Sitgreaves Forest only steps from your back deck or garage!! A large open living area is accented with a gas fireplace, open kitchen and dining area. Spacious bedrooms with a split floor plan. The private screen room/back deck is a huge bonus and offers views of the forest- perfect for year round enjoyment. Low exterior maintenance with cement board siding and metal roof. The prime location with forest access offers unlimited possibilities for hiking, biking, ATV riding, horse back riding, etc.- no need to trailer off your property! No HOA and horses are allowed.
